Hi Ivy,

I had Anita set to work with us this past week, however due to some equipment issues in our Kitchen I haven't needed her to come in. We got back up and running and she was scheduled to work today. Unfortunately she was not feeling well, so she only worked with us today on 12/28/2018 from 9:52a-11:57a and of course no break. Those are the only hours I have for her this past week.

Going forward, I will no longer need her as we have fulfilled the position.

Please let me know if you have any questions.

Thanks so much!
