10am to 10pm.

Also, wanted to mention that Britton Chancelor isn't welcome back. He had a little altercation with one of the Fire/Safety bottles in which police officers had to be involved. There was no physical altercation, just verbal. Had something to do with him tossing a beer bottle that nearly hit him. I'm not sure if it was on purpose or not, but I don't think Britton handled the situation appropriately.

Thanks,
Aaron Mears
