Hi Dallas,

Please get this to the client. I didn't see a job in taborca for last week for him.

Thanks,

**Subject:** Missing hours

I have not received Ryan Urban's timesheet to complete and return. He worked 40 hours last week (12/16-12/20). I'm also not sure if I received the invoice for his 40 hours from the previous week (12/09-12/13).

Please double check and update.
