Hi Gina,

Again, great chatting with you and thank you for your patience. Here are the bill rates we recommend in order to find great quality people, however we are negotiable. This falls in line with pay rates you requested while adding our standard mark up rate.

If you need any other bill rates for other regions please let me know.

Also, do you have any requirements at all for candidates such as vaccinations/specific testing etc? Any specific uniforms?

For next week in Palo Alto you need both a line cook and prep cook correct?
