## Alternate Parking Sites

For your convenience, we have highlighted nearby parking sites. These lots may charge for parking. The Museum is not affiliated with any of these sites and is unable to reserve parking spots. Parking is on a first-come, first served basis.

1. Directly across from the Museum at the corner of Houston and Elm Streets, there is a surface lot at The Sixth Floor Museum.
2. If you would prefer a covered parking space, there is an underground parking garage at the corner of Record and Elm Streets only 100 steps from the Museum's main entrance.
3. The West End Station of the Dallas Area Rapid Transit (DART) system is located one block from the Museum's main entrance.
