Subject: Walnut Creek Travel Rate for CuisineStyle temporary staffing

Hi Pamela & Melody,

I hope your having a good day!

Our temporary staffing needs a travel rate for Walnut Creek.

Melody, I had discussed with you an additional travel rate for Walnut Creek of \$15.00. This is based on location and filling the positions.

We need to have this in writing in order to get staffing for that location. Please just respond in an email note and we will attach to the Agreement.

This is the only additional rate due to travel for temporary staffing employees for this location.

Thank you!

Warm Regards,

Lisa Powers
