Hi this Elaine who I met with you on Friday. I have a question that I forgot to ask about to the chef. What shift is he looking for? Is he looking for a morning shift or a night from 12-8?

Hello Elaine,

I spoke with Chef Laurie, and currently we are looking to potentially fill both am and pm roles for the move. The shift/station offered would depend on where your experience best suits our needs, to start off balanced against the needs of the team/organization. It's difficult to say right now where someone would end up as we are expanding the program vs directly replacing an empty spot. Sorry that this is not a direct answer but, it will be better decided if and when you stage.

Thank you,
