MENTAL HEALTH SERVICES

Dear Daniel Freeman (DOB 2/11/90)

This letter is written to you on your request to be shared with whomever you wish.

This is to confirm that you have a psychiatric disorder and are currently receiving treatment. I am your treating psychiatrist and saw you most recently on 06/03/2019. You have a diagnosis of Bipolar Disorder and recently endorsed symptoms of a manic episode, which precluded your ability to work during that time.

At the time of this exam, you are in stable condition. You are receiving adequate care and treatment and you may return to work.

Sincerely,

A handwritten signature in black ink, appearing to read 'Aryeh L. Goldberg'. The signature is fluid and cursive, with a large, sweeping initial 'A' and a long, horizontal stroke at the end.
