Hello Jaime,

I spoke to Felix Saldivar today and he informed me that he did not work Friday the 19th.

Per our conversation which took place Friday, Mr. Saldivar was scheduled for home-detention but was unable to be sent home due to malfunction with our monitoring system.

Instead, our Assistant Director sent Felix Saldivar on a 48Hour pass while we were waiting on the correct device to be delivered by FedEx.

Felix has now been hooked up to our electronic monitoring system, he will report to his assignment tomorrow as scheduled.

We appreciate your patience and cooperation during this transitional process.

Respectfully,

**Hudah Mukiibi**
