Hello Jaime and Claudia!

Jaime I am bringing you to the same page as I just spoke with Claudia.

I am having issues to find Dylan Bennett at Brannan. He showed up on time and checked in with me. Everything was great. After 8 am I didn't receive any word, reports of done task and etc. We were looking for him. I called his number - he hang up ..

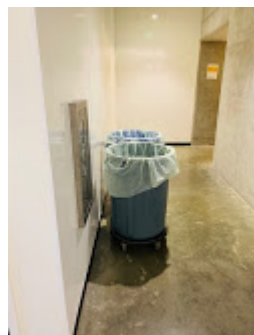

Please try to reach out to him and check what is going on as nobody can't figure out this enigma of disappearance

His working cart is on 3rd floor for the past hours. Please find picture attached below for the reference

Thank you,  
Any
