Hey been in traffic since 630 am  
now literally just stuck in traffic in  
the downey area

Ok what is your eta?

Traffic is barely even moving

Ok what is your eta though ?

Have you arrived? Please advise

Have you arrived? Please advise so I can follow up with the client

No i have not arrived there is a an big accident on the freeway

Ok what does your gps tell you about your eta?

Please advise as we are now half an hour past the beginning of your shift

Gps says 1 hour 45 min heavy traffic

Oh my ok. Please keep me updated if your ETA changes I will inform the client of your ETA

Really sorry

How's everything?
