Hi Jaime,

I wanted to share some positive feedback that I received in passing for the Acrobat contractors listed.

Cruz and Robert have been lending a helping hand most days outside of their job description to move the huge compactors along with our Facilities team members at Dropbox. Ray covers their shift occasionally and is equally helpful when he does. This demonstrates an above and beyond attitude, collaboration and initiative, and we are proud to have them on our team.

Thank you, Austin for sharing your feedback. We appreciate your partnership and the hard work that your team puts in :)

Thanks all,

Connie Collica

Hello Connie,

Apologies for the late correspondence, but I am glad to hear this positive feedback. I will make sure to add these notes to their profiles. I would also like to give them some recognition, by letting them know that their initiative to help out has been noticed. I can check in with Cruz, Robert and Ray tomorrow and let them know.

Thank you,

**Jaime Barnhart**
