Hi Jaime and Claudia!

Please can we please add this to Mory's profile

He is wearing sweatpants instead of uniform required black pants.

When I nicely asked about what happened with his usual black pants - He raised his voice and defending himself saying that he forgot belt to wear his pants.

I totally can understand that something like that can happen with anyone, But won't accept his rising voice on the manager while simply trying to communicate with him

Thank you,
Anya

Hello Anna,

Please be advised I am speaking with Mory, he is explaining that he did not mean to raise his voice in a disrespectful manner. He explains that when he is trying to explain things, that since his english is not the best he said he tries to speak louder and annunciate the words better. He apologizes if that is the way it seemed, and he hopes that the communication can cleared up.

I had added the notes about this incident to his profile.

Thank you,

Jaime Barnhart
