Hi Jaime and Claudia!

I am following up with some positive notes about another my team member Jermaine Gonzales.

I would like to add notes to his profile.

Please add:

- extremely hard-working
- punctual with clock ins and meeting all schedule requirements
- fast learner
- initiative
- amazing team player
- great communication level. Just a note, for completing all his tasks and keeping me posted about work he does he even got a new phone only for work! He is really on top of it!
- easily accepting corrections and adjustments

I am his direct manager and I am thankful and happy to have Jermaine on my team. I was so amazed another receive a message from him that he is here for me and team, and will do whatever we need for success! He saw me running around and being crazy busy, he offered that message as a support.

I would like to ask if you or Claudia can pass to him words of appreciation and let him know to keep up with his great work and more will come his way!

Thank you and please let him know that positive notes would be added to his profile for the future records!

Kindly,  
Anya
