Hi Henry,

I just wanted to follow up with you about you electing to end your assignment at Dropbox. We have processed your request and deleted you off of future shifts at that site. As per our conversation on Wednesday 10/9, you mentioned that you would like a position with more responsibility and challenge. Anna Shova, also mentioned that you would be interested in a position that is not involved with culinary/front of house work. Unfortunately, because we are a culinary staffing agency, we can not guarantee more work, but we will let you know if anything comes up.

In the meantime, we suggest that you look to other staffing agencies that fits the type of work that you are looking for and we will email you if anything fits with your needs.

Best of luck,

Claudia Revelo-Lee
