Hello Jaime,

Sara Sandberg has expressed concerns over a game that Michael Williams, Ali F. and others have been playing, in which they make a racial hate symbol with their hands. She mentioned it to Ali and the next day she was removed from bar duty and put in different position. Although, she does not have any issue with the position itself (she does like some aspects of the new position); she takes issue with the fact that, Ali and Olja have avoided addressing the issue amongst themselves. I understand that Ali and Olja cannot give coachings to the employees and I reiterated that to Sara.

She also believes that Ali and Olja play favoritism with Michael and others, and that she is being bullied at the Little r. She did not mention anyone expect for Michael by name, however she was clear about others ganging up on her.

I know that you are the point of contact for coachings and I just wanted to share my notes.

Best,
