To Whom It May Concern:

I am writing to inform Acrobat that Friday, October 11, 2019 was my last day of employment. I appreciate the opportunity that was allowed to me by Acrobat. After serious consideration I have concluded that I must return to the Fresno, CA area to reestablish myself there.

I appreciate all who assisted me from the 3rd Street Office to Jaime, Jared, and Claudia at the Dropbox site.

Thank you so much and I wish you all the best.

In closing, may I add that Dave Kuhn <sp> is a great supervisor. Thank you.

Sincerely, Brian Green
