Hello Ariel,

Please cancel Neashel from Dropbox.

SHE has definitely been too absent with calls outs and requested days off.

thank you!

Hello Chefs and Managers,

Please be advised that Neashel Tillery (cook) has called out for his scheduled shift.

On our end we have 3 documented last minute call outs in the past week weeks from him after 3 weeks of work.

We will be issuing him a written warning for his excessive call outs and go over proper call out procedure and highlight that another last minute call out could cause a cancellation from his assignment.

Best,
