Hello Ariel,

Thank you kindly for the update.

It appears that Jordan is starting to develop a history of missing a few hours of work each week due to last minute changes in his personal schedule.

Is it possible to arrange a time to speak with him regarding the importance of his attendance? Kindly advise, accordingly. Thanks.

Best, Nate

Hello Ariel,

Jordan just arrived on site and is clocking in now to start his shift.

Claudia and Jaime, can you still pull him aside briefly and talk to him about the importance of time management in his personal life so that he is able to be at work on time? It is important for our team to be timely and reliable in their attendance, as to allow all of the gears in our operation to move in sync. Thanks!

Best, Nate

Hello Nathaniel,

I can speak with Jordan today about his attendance, I want to reiterate and make sure that he's aware of how it can affect his assignment here during his 90 day period. What would be a good time to speak with Jordan?

Thank you,

Hello Jaime,

As always, thanks for your support.

I will have Jordan meet you at your desk at 4:00, if that works for you.

Hello Nate,

If possible is there anyway to adjust Jordan to meeting me at 3:45? If not, I can try to make 4pm work.

Thank you,
