Hi this is Shandrika I'm reaching out due to no call no show from about 2 weeks ago Well it was a situation going on with my personal life which almost caused me to lose everything. And What also caused me to miss out on my Assignment & I am just now pulling Myself together from the situation, and being able to Contact someone about it & I really hope that I will not be terminated due to this situation I have no phone but I'm working on that I should have one by tomorrow thank you 😊
