

5 PM for today

Mon, Dec 23, 1:23 PM

Can I call you later?

Hi Chermaine I just tried returning your call can you please give me a call back as soon as you can? I got an emergency message that you needed a callback let me know

Sun, Jan 12, 12:14 PM

Hey I just left you a voicemail regarding the "no-show" reported for today at UCLA

I understand you tried to let us know you were sick but this call didn't get to us until two hours past the start of your scheduled shift so can you clarify if you were a no-show today or if you did arrive and went home early?
