Hello Daniel,

I have received your voicemail and also attached it in this email as well. Since you have stated in the voicemail that this position isn't going to work for you, due to financial struggles and commuting difficulties, I have gone ahead and started the process of getting you paid out for your hours from last week as well as the small amount of PTO that you accrued from said hours. Once we have paid you out, we will be terminating your profile and due to the last minute nature of this situation, we will not be able to offer for you to be rehired in the future.

Best of luck in your future endeavours,

**Jaime Barnhart**
