Hey jamie. Its adan. I wanted to thank you guys for the opportunity. I did talk to sal last night about me liking the job but the commute was to far for me. I did get offered a job closer to san jose. And they asked if i can come in today. Once again thank u and sal for the opportunity and hopefully we can still work together in the future.

Hello Adan,

Perfect, can you make it in at 2pm today? If so, I'll send you an email with the interview details. The PM shift is the only schedule that we have for a lead opening.
