Okay so the last ones  
are on the way one of  
them has an email for  
me email from Dan  
email for me I don't  
know if that's how it's  
going to show up or if  
it's just going to be the  
last one so I sent the  
first one by itself so  
you'll have like three  
emails but I don't know  
if that's playing so I  
screenshoted what Dan  
emailed me just in case

And then I sent a really long email after that email that he sent me and I felt bad because it's not me trying to start anything or have people mad at me but I am like I said in the email I'm making it very aware that I understood the principle of the policy but given light of the situation and giving her attitude on the phone both uncalled for so she didn't have a care in the world man like she didn't at all. and as I said in the email I made it very clear like

as I said in the email I  
made it very clear like  
I'm not like normal  
people coming in for  
temp job me not  
working I have a lot to  
lose with my kids with  
my place with the rent  
going up from 16 to  
almost \$1,900 and it's  
not easy for me to find a  
job as I said an email so  
when you're done  
reading I will respond it  
may take me a second  
or two but I will respond
