**VALIDATE:** sanity check; 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>

Hey, Jared! Hope you're doing well. Could you remove me from this email list, please? I've relocated out of the Bay Area and started graduate school.

Thanks!

Hi Team,

We have a request in the East Bay for On-Call staff at a hospital in Alameda. There are certain requirements that need to be met by the client so please reply to this email with your full name and phone number if you are interested! Pay rates are at \$20 per hour and I'll be calling through staff throughout the week. Thank you and hope to see you all soon!
