Amber,

I didn't send him an email. We spoke on the phone.

Hello Kemeshia,

Thank you for sending this over. Did you also send the EE an email?

Hi Jared,

I spoke with Anthony Ashley in regards to the incident at Mount Vernon Towers, and explained to him that if he is experiencing any issues to contact the emergency line. I explained that walking off is not acceptable. He stated that he understood and will do what is required of him as an employee on any job site he is assigned to.

Thanks,

**Kemeshia Woodson**
