Hey,

I sent this to Erin and did not get a response. I think we're good, I'll add the email thread to her notes.

Hi Erin,

The client is disputing your out time and states that there multiple staff there you could've checked out with, did you check out with anyone that was part of the client's team? A cook or server or lead?

Hello. I was there until 8oclock. I couldnt find megan i had a migraine because i had no break and i got there at 1245. No one from the staffing agency was there. The jumping brook kitchen staff and the people for acrobat saw me that i couldnt tell anyone i was leaving an hour early. I couldnt get my medicine the whole time i was there because we werent allowed breaks and i couldnt get to my medicine. And i need my other hours pay. Erin harmon.
