

Hey i twisted my ankle on my gout foot. They sent me home. They tole me to contact you.

They also said you could send me somewhere else, because I think on top of my physical pain this place is making me extremely depressed and I cant see a doctor until the 20th.

Sun, Oct 4, 6:02 PM

So what should I do?

Sun, Oct 4, 7:10 PM

We will talk tomorrow I have been away from my phone. In the meantime rest your foot and don't worry about having to come in. we'll look into your options

Ok i will hear from you then.
