VALIDATE: sanity check; 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking/opening if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>

She didn't steal from the register. She took an alcoholic beverage, a Truly, to be exact. She tried to buy it from a portable location and when the cashier told her that they didn't accept cash, she took the Truly and still just walked away. We aren't sure what she did with it from that point, but the manager was informed after.

Hi Sammy,

Crystle Taylor is wondering if we might be mistaken regarding her register shortage:

You must have me mistaken I was a cook at the football game and they was accepting card only I'm very confused

Are we sure it was her that store from her register?
