Hey Leo,

I tried to call you just now but went to voicemail, are you still interested in working M-F in Aliso Viejo? What is the latest you can stay as I believe the desired schedule might be 10a- 630p as this will be a hybrid shift of cooking as well as some dishwashing. We would need to send you to the location for a COVID test and once the results were received we could have you begin. I have placed your updated Dayforce info below.

VALIDATE: sanity check; 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>
