Hello Khimonee,

I forwarded you the confirmation email that Michelle had sent to you on Friday for a shift at Oracle park for Monday 7/5, the email was sent at the same time as the confirmation for 7/11 as well.

Unfortunately, due to this mishap I will have to mark you as a NCNS for your shift for yesterday and it will be noted in your profile. This will count as a warning, so please make sure to be checking your emails for confirmations.

Best,

VALIDATE: sanity check; 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>

I never received job instructions to work yesterday or today only on 7/11.
