Hi Marisela,

I cannot confirm if he was asked to leave by a manager or if Arturo asked to leave but was ultimately sent home by a training manager and the assignment was canceled by San Manuel as a "Walk off". I asked Arturo if he wanted to continue working in hopes I could clear up his "walk-off" miscommunication and he stated that he wished to resign. Does that make sense?

Hi Sam,

I am processing the termination for Arturo, he is listed as Vol Job Abandonment but it also states that he was asked to leave. Was he cancelled from the client or did he actually walk off?
