Hello Valshawn,

You were scheduled for the Componere event on Friday 8/13 and did not show up or provide a call out for the shift. Please be advised that this will be marked as a No Call No Show, this will be considered a warning. Moving forward please make sure you call the main line to provide notice if you are unable to make it to a shift that you were confirmed for.

Best,

**Jaime Barnhart**  
Operations Manager
