Hi Adys, it's Adam from TSC. Parking is in Lot 8 today, not 13/14. See you soon.

Hi Adys, I got your eline message, what happened?

Delivered

Yea I called, right now I'm developing a fever, I don't think it's Covid related yet but I can't be too sure

I just want to play it safe so that I don't go around potentially spreading a disease
