Hello Daejanee,

Due to your attendance issues, we will have to terminate you in our system, and we will not be able to offer you any further opportunities. The issues will be listed below:

No Call No Show to Oakland Coliseum on 8/29 - this means you accepted this shift, did not call out ahead of time and did not show up

Call outs for Oracle Park shift 8/30 and 9/2 - You called out via email to the shift on 8/30, and called out last minute to the shift for 9/2

So far you have not successfully worked any of the shifts we have scheduled you for.

Best,

Jaime Barnhart
