I did receive your email, and time I received it.

I will continue my contact and all further communication with other appropriate persons in the company

Thank you

Hi Laura,

I've left you messages and texted you. For now, please do not report to Oracle park or to the Moscone Center until we talk. Please confirm this has been received.

I am demanding someone from the corporate office call me on my cell phone at 415-717-3805 regarding a: traumatizing, abusive, and an emotional and psychologically horrifying, and never ever before as a 66 year old retired medical professional. This is a very serious matter that requires immediate attention
