Hi Paulina, did you make it to your shift today, I have not seen you confirm or clock in with Nowsta yet.

AG

Good morning I was supposed to be there today but I had my covid vaccine administered on Thursday woke up today feeling alot of body ache I'm trying to call the emergency line but I'm having trouble with my phone service .

I have to cancel for today's shift

I was calling the phone line that is provided to cancel because I can't make it to my shift.
