

Marlen

Hey, This is Marlen @ TSC.

I see you called out for today @ Sofi Stadium.

Please reply here with your reason for this short notice call out.

I do not make enough working a shift to pay childcare and other expenses. It does not accommodate my current schedule and It's not worth the trouble. So, I removed myself from the entire month of December. I am not going to work for a company just to pay for childcare and the company does not pay enough to cover it. Makes absolutely no sense. I will pick up shifts in the future that is more accommodating to my schedule.
