... HONDA CENTER > MM

Yes I can work

Conversions crew

Marlen

Conversion team members will work with Conversion Leads and Operations Managers to ensure configurations are followed and all safety standards are met. Conversion team members may also assist in daytime set-up, working closely with Maintenance and Engineering staff with special projects as needed

This includes setting up for hockey, basketball, concert, family shows, trade shows, rodeo, tennis, theater events, boxing, mixed martial arts events, and other
