**VALIDATE:** 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking/opening if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>

Excuse me, the correct dates I called out were for 1/24 and 1/26

Hello, I called out more than 24 hours prior because I could not get childcare arranged. This was also the case for 1/27. Please review the following screen shots and note the time, date and duration of call. It appears that someone did not inform the team or forward the message after receiving that call.
