**VALIDATE:** 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>

I went the first day and was not needed. I then went home and sent an email that same day to Adam to let him know that he could remove me from the following days. I have the sent email for verification if you need it. I work for Behind the Scenes and they contracted you guys. When I initially signed up for the event there was no mention of Behind the Scenes otherwise I just would have accepted the job through them.

Thanks, Mike
