Hello Ms Susan,

I did show up for the first day 30 mins early but then they had us waiting to check in for more than an hour and the whole checking in process just to get in our assigned position was disorganized. I did not want to waste any more time waiting. So i called Ms Cathy as per instruction and I told her I was ready to leave and could not wait any longer since it seemed like we weren't going to start any time soon, she said ok, so I left. I am open to working other events with the company, but I have always made sure I was on time and my time was not wasted. I appreciate the opportunity but I wish the process wasn't as disorganized and hours of wait. If you have any availability for me to work, my schedule is open till this weekend as well as next week.

Respectfully,
