VALIDATE: 1) sender email suffix logical?; 2) language spelling/context appropriate? consider clicking if; immediately following a meeting/discussion. Research further if; 1) sent out of the blue even from a trusted person; 2) suspicious link content. **SUSPICIOUS:** create new message to sender, do not reply, and seek validation if suspicious. Trusted sender? add them to our trusted list, <https://tsc.fyi/TrustedSender>

No, it's not. I was 1min late due to parking lot being full. As I entered my work station I was called a racial slur by another staff member who also did not want to let me take my position as told by my supervisor. So I felt it was a hostile situation and would rather work elsewhere. Sorry but If you can send me to the stadium I'd like it better than what I was experiencing at Davis thank you, and I am sorry again for the inconvenience. Pharoe

Hi Pharoe,

We received an email from Chef Reilly stating that you left on Thursday without informing the supervisor and never came back. Is everything ok?

Thank you,
