Hi Tamika,

I'm just following up with this manner, have you been able to get the times for us? We'd like to solve this issue as soon as possible and unfortunately our hands are tied until we can access your times to compare them with what we have on file. [@SUSANA JARAMILLO](#) will be covering the SD region for the next few weeks. My supervisor as well as HR are cc'd on this email, please let us know as soon as possible when can we access the times.

Thank you!

Correct, we have the timesheets on file. As stated on my last email, as soon as we receive her badge swipes, and we have the information to compare our times with her actual times we will be able to make adjustments. I understand that this process might take some time, you can send them over when available.

Thank you.

Hi Tamika,

Thank you for bringing this to our attention, please allow me to discuss this manner with my supervisor and I'll get back to you with a resolution in regards the times. If possible, can you please provide us with the times and dates with discrepancies? As of now, Gabriella has been DNR from the venue and any Sodexo account.
