Hi Keychone, Please call me, or provide me a picture of your sign in/out sheets for 5/20+5/21+5/22+5/28+5/29. The client marked you as a no show for all these dates and doesn't have a single punch on the time clock for you. I need your start time, end time, manager name you worked with & stand # for each day

once I have all this information I can continue seeking approval for these dates you scheduled yourself for.
