Hello Ronald,

You have been marked as a No Call No Show today 11/18, for you scheduled shift at Stripe. I was informed by Carl that you did not arrive to work, and he had to call you past your start time to figure out what was going on. This will be marked in your profile. I am unsure currently what the decision is regarding this violation of our last final warning that we discussed, but currently we will still be expecting you for your shifts next week.

Best,

**Jaime Barnhart**
