| | <p>Hi Audrey,</p> <p>We understand that you had a family emergency, but we expect you to notify us right away by calling our emergency line. It is imperative that we can count on you to show up for the shifts that you sign up for. When you no show to a shift, you leave our client short-handed, and you leave us no or very little time to find coverage to replace you. Due to your no call no show at Wharton School on 1/27, we are no longer able to offer you any future jobs. Good luck in your future endeavors.</p> | | |
