Annette is waiting at the lobby.

Today 2:55 PM

Hi Annette,
Did you leave?

I am so disappointed that I have to leave. I am so sorry for wasting your time and energy. I don't think this job will work for me. I just checked with the courthouse they don't find anything new. It was a warrant from 2018 but the case was dismissed. I don't want anything to do with the American system.
