Prior documentation (Dates and Infractions):

Violated standard of conduct. Please refer to the Employee Handbook for conduct standards:

Provide details and description of the infraction:

3/3 You left early without getting permission from a manager and without checking to see if they still needed you before you decided to leave - it is also noted that you had been on a break right before trying to leave which also is not proper break etiquette

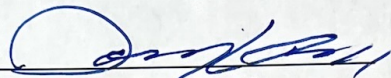

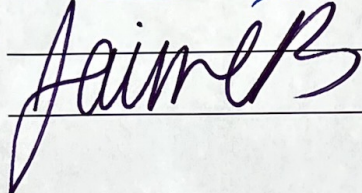

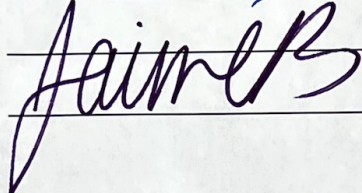

3/14-3/15 Two separate products were prepared by you and did not meet the expectations the chefs had regarding the quality of product that they are expecting from you - on 3/14 the ground beef was not broken down enough for taco consumption and on 3/15 the beans were undercooked and not able to be served on the line

Describe corrective behavior and actions:

Moving forward whenever you are planning on leaving early, you must check in and communicate with the kitchen managers/supervisors

Regarding performance, we are expecting higher quality products from you seeing as you are a longstanding chef here in the kitchen and have the knowledge and skill to meet the standards that Stripes kitchen program has
