Hola Beatriz,

Desafortunadamente, porque no recibimos el papeleo de contratacion, me veo en la penosa necesidad de retirar la oferta de trabajo.

Le deseamos lo mejor y agradecemos su entendimiento.

Gracias,
Patty Marroquin
Operations Manager.

Hola Beatriz,

Le acabo de marcar pero no la pude localizar, por favor me regresa la llamada cuando tenga tiempo? Hoy se cumple el plazo para completar el papeleo antes de que me vea en la penosa necesidad de retirarle la oferta de trabajo, si ocupa ayuda con mucho gusto lo hacemos juntas.

Gracias!

Hi Beatriz,

-Por favor me dice si tiene alguna pregunta pero lo unico que necesita es meterse a Taborca y ver que toda la informacion personal este actualizada.

Welcome back to The Service Companies! For you to get back to working shifts and getting paid correctly you will need to complete Steps 1 & 2.

Step 1) [ONBOARDING](#)

To update your onboarding profile, please login to your Taborca account using the “Returning Employee” side. Once you log in, you will confirm your basic contact info and click save & next which will take you to the onboarding portion where you turn the red boxes green just as you did when you first got hired. This should be simple as you will be reconfirming previously entered info or changing to current info if any has changed. [ONBOARDING Link](#)

Step 2) [ORIENTATION](#)

It’s time for Orientation. This will allow you to learn about your new company and what we are all about. Please click the orientation link below, there will be short quizzes throughout so please pay attention. [NEW HIRE ORIENTATION Link](#)

Please note upon completion of all steps, once HR “flips the switch” making you an official employee you will receive an Offer Letter notating the minimum wage to your local area. This is your training rate and “base rate”, but you will always know the pay rate of the shifts you work prior to working as they will likely always be different than your base rate.

Thank you,

Patty Marroquin
